

Gas Leaks: Everything You Need to Know to Keep Your Family Safe

Earlier this year...

...a home in Ohio was leveled by an explosion triggered by a gas leak in the furnace.

Applewood Plumbing can accurately detect gas leaks in your home, install emergency shut-off valves and CO detectors, and repair gas lines.

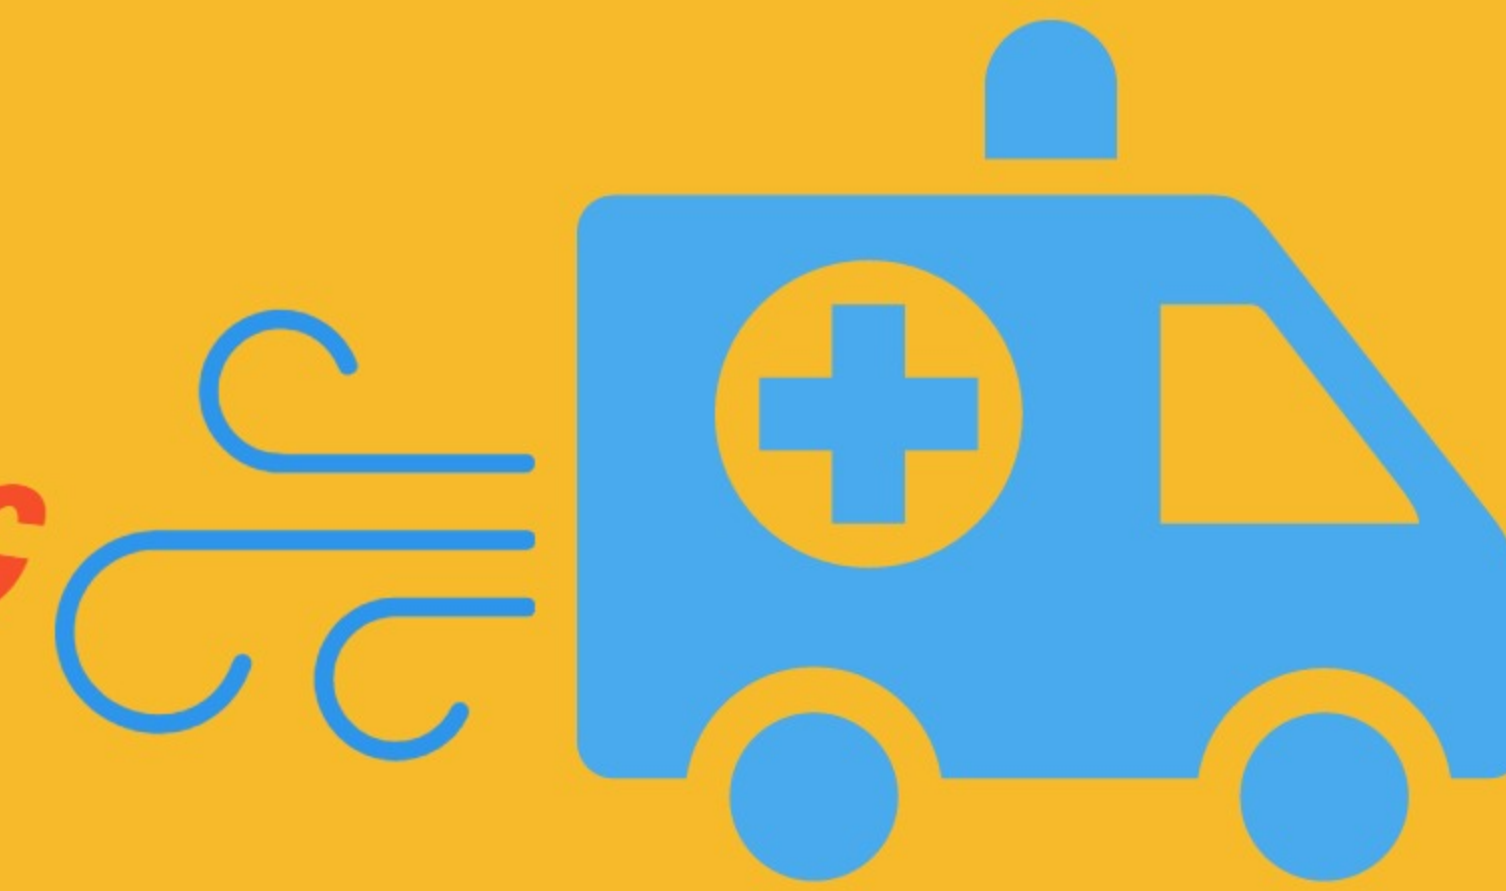

Call us at

303-232-6611

symptoms:

Headache
Nausea
Dizziness
DIFFICULTY BREATHING

Did you know...

8 out of 10 houses have a gas leak?

Gas leaks can start by:

- Oversight during installation
- Aged sealant around pipes
- Dried out lubricant inside valves

Detection:

Add Gas Leak Detectors and use your senses!

- Listen for whistling/hissing
- Rotten egg smell
- Bubbles in wet areas
